IF YOU SEE SOMETHING...SAY SOMETHING

Here are three simple things you can do to help the Coquitlam RCMP build safe, secure communities:

- Join your local Block Watch group.
- If you see criminal or suspicious activity, report it. We may not send an officer immediately, but we need your information to know what is going on in our jurisdiction. Call 604-945-1550 for non-emergencies and 911 for emergencies. Both lines are staffed 24/7.
